

# Now's Your Opportunity to Shape Transportation Safety in Skagit County

The Skagit Council of Governments is excited to announce the first of three public comment periods for Move Skagit. The Regional Safety Action Plan (RSAP) has begun a 30-day public comment period ending **January 16, 2026**.

## Why Your Feedback Matters

As we are preparing to finalize the RSAP, we invite you to review the draft and share your thoughts, concerns, and suggestions. Your feedback will directly influence the strategies and actions we take to improve safety for all road users in the final Move Skagit plans.

## How to Participate

**Review the Draft Plan:** The [RSAP draft](#) and [appendices](#) are available on the [Move Skagit 2050 website](#).

**Submit Your Comments:** Share your feedback on our [online comment form](#), by [email](#), or by phone during the comment period.

**Stay Engaged:** Sign up for our [mailing list](#) to receive updates and future opportunities to participate.

## Thank You for Your Continued Involvement

Your voice is essential to building a safer, more connected Skagit County. Please take a moment to review the RSAP and share your feedback during the comment period.

In 2026, you will also be notified when the Transportation Resilience Improvement Plan (TP) and Regional Transportation Plan (RTP) comment periods begin. When all three comment periods are completed, Move Skagit plans will be finalized with your comments reflected.

Together, we can Move Skagit forward!
