

FOR SALE

1974 CAL 2-29 – “Skybird”

Skybird has been at WCSC since 1975 when she was transferred from Lake Lanier. Always in fresh water. We are her 3rd owners purchasing her in 2006. She draws 4.5 ft and weighs in at 9500 lbs. Built as a coastal cruiser/racer she has a nice turn of speed and is easily balanced.

In 2025 we completed another refit with all new mast wiring, LED nav lights, new forestay, new roller furler and new headsail 140%. She had the bottom paint sanded off and the hull was faired, with two additional coats of Interprotect 2000E barrier coat installed. Prior refit, she was scaled and repainted with 3 coats of West System epoxy and 7 coats of Interlux InterProtect 2000E barrier coat. She has hard bottom paint. The mast partner through bolt holes have been solidified with epoxy as well to protect the balsa deck core. In 2015 the stanchions from the mast aft were given the same treatment and completely re-bedded.

Sails: Sloop rig with loose footed main, outhaul, Cunningham and dual reef points, brand new ProFurl roller furler with new 140 Waters Sails headsail (never been sailed), Sailcare Lazyjack kit included (not installed)

Exterior: Two year old Bimini covering helm station with clear section for viewing mast/windex, dual primary winch setup including Lewmar 2 speed self-tailing, two anchors, main halyard winch replaced with Lewmar self tailer.

Power: Farymann Diesel auxiliary, start and ship's batteries, ten gallon fuel tank.

Interior: V-Berth, salon table berth and two quarter berths, galley with alcohol stove, single basin sink and icebox, marine VHF radio, stereo with USB connectivity. Ten gallon fresh water storage in two tanks fore and port side aft.

Other: Teak cockpit foot grate, Kiwi Grip deck paint, rope clutch rigs to cockpit for main, jib and spinnaker halyards, main reef point 1, pole lift and pole downhaul. Includes SailCare topping lift kit for control from the cockpit at the aft end of the boom, 2 winch handles, stainless steel propane grill and various lines, flags, parts and accessories. New bimini, new storage bag in cockpit, new winch covers, new rope clutch covers and new binnacle/wheel cover. Lots of extras and goodies go with the boat.
